

# REVERSE PONY EXPRESS/COAST TO COAST CHARITY MOTORCYCLE RIDE RIDERS WANTED

*"Wanted. Young, skinny, wiry fellows. Not over 18. Must be expert riders. Willing to risk death daily. Orphans preferred."*

The original call for riders limited itself to 183 over 18 months. We are hoping for many more. The Reverse Pony Express/Coast to Coast Charity Motorcycle Ride will benefit the United States Postal Service workers and their families who have been affected by the recent anthrax attacks. P.E.R.F or the Postal Employees Relief Fund has been designated the charity of choice to help those who are in need.

The Reverse Pony Express/Coast to Coast Charity Motorcycle Ride will leave from California, following closely the original route taken by the riders, carrying a letter from Governor Davis of California to the President of the United States. The original Pony Express carried a letter from President Buchanan to the Governor of California. The Reverse Pony Express/Coast to Coast Charity Motorcycle Ride will end at the main post office in NY near the Madison Square garden.

Along the way we will stop in on some historical landmarks including the original end station in St. Joseph, MO and the Liberty Bell in Philadelphia. We will also stop in at various post offices to show our thanks and support to the many postal workers who help keep our country up and running. Bring your iron horse and join us on this journey and remember... "Neither snow nor rain nor heat nor gloom of night stays these couriers from the swift completion of their appointed rounds."

**\*\*Participating riders are not required to ride the whole trail. There will be 100-300 mile sections near major cities or sites. Check the schedule on the ride website (<http://www.dhpmoto.com/reverseponyexpress>) to see when we will be in your neck of the woods.**

## DATES:

**November 21 - 28**

## INFORMATION:
